Just a Little Chat . . .

Do you collect firearms, old and new, cartridges and other arms accessories? I do. At the present time the Numismatic field is offering a vacation but my avocation has always been and I hope will always be, the collecting of firearms and cartridges. Interested? Then let's get together. Just drop me a card and let me know what your interests are, or perhaps, you have a gun or two or a handful of cartridges you wish to dispose of. I'll be glad to hear from you.

Cordially yours,

H. A. BRAND.

My third Auction Sale is now being prepared. I had some splendid results from my first sale, and received some very encouraging letters for which I thank you. Let me know, at once, regarding any numismatic material you wish to sell at auction. My terms are very reasonable.
